February 1, 2024

Welcome to President-Elects and Rotary Leaders,

As your Chair for this event I want everyone to know how excited I have been for the opportunity to serve in this capacity. I want to thank everyone for attending this years President Elect Training (PETS). This marks our 46th year of Southwest PETS, we started in 1978 with six Rotary Districts. Today we have grown to 9 Rotary Districts and are adding 2 additional Districts next year.

We have planned a full weekend of fellowship, education and inspirational speakers for you. For your fellowship opportunities I encourage you to visit all the District Hospitality rooms throughout the weekend. You will have the opportunity to meet with your fellow presidents-elect from District 5000 (Hawaii), District 5240 (San Luis Obispo, Santa Barbara, Ventura & Kern Counties), District 5280 (Los Angeles Area), District 5300 (Pasadena, High Desert & Las Vegas Area), District 5340 (Orange Country), District 5330 (Inland Empire; Low Desert), District 5340 (San Diego), District 5495 (Central; Northern Arizona); District 5500 (Tucson; Southern Arizona) as well as your District leadership.

Our Education team has prepared classes that will provide you with information you will be needing to lead your clubs. Courses ranging from welcome to the Digital Age, Budget, Conflict Resolution, Diversity, Membership, Fundraising, Partnerships and so much more. We have assembled an incredible lineup of speakers for you starting with Our MC Jason Browne a fellow Rotarian from District 7360 located in Philadelphia. Mary Latham from New Jersey. RI Foundation Chair and Past Rotary International President Barry Rassin from Nassau, Bahamas. Jean Irwin- Hatfield, a Rotary Foundation Ambassadorial Scholar from Sacramento. Our Zone Director Dan Himelspace from Denver. Stephanie Urchick our incoming Rotary International President from Pennsylvania. Lex Gillette from Chula Vista. As you see we have reached out to the Rotary World to bring you the very best speakers to inform you and motivate you.

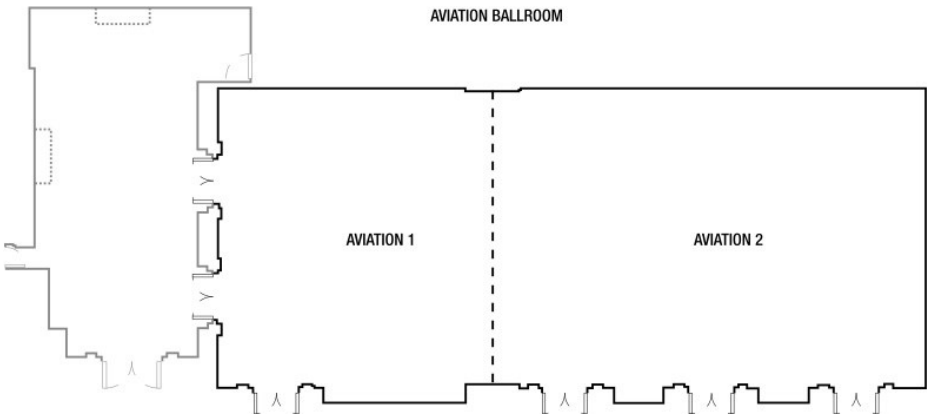

We have worked hard with the Marriott to provide you with a comfortable and welcoming experience this weekend. It is my hope to be able to meet as many of you as I can this weekend. Don't forget to have your picture taken for your district directory. Please visit our Vendors and Exhibitors booths this weekend. This is a very unique experience. Again your job for the weekend is to enjoy and have fun.

PARTNER'S PROGRAM

DESCRIPTION: Our Presidential Partners play a critical role in the success of our Presidents and the Clubs they lead. Being a Club President is challenging and can be time consuming so our Presidents need all the support they can get!

With this in mind, we have put together a program for our Partners that will let them meet and interact with Rotary Leadership to hear directly from them how important Club Presidents are to the mission of Rotary. Everyone will have an opportunity to ask questions, share opinions, and hear the unique perspectives of Rotary International's top volunteers. We will also complete a project together to help us get to know each other. Join us and share a unique opportunity that that just isn't available to very many in Rotary!

Keynote Speakers

Friday Opening Session Speaker: Jason Browne

Jason Browne is passionate about storytelling. He expertly merges radio, marketing, and public speaking to engage global audiences. Collaborating with giants like Facebook, Microsoft, and Rotary International, and drawing from his MBA, Jason has spoken on over 100 stages, addressing leadership, privilege, and diversity.

Jason's genuine passion for sharing stories is deeply rooted in his desire to craft a brighter future, especially for his younger family members. This dedication is mirrored in his extensive international experience in marketing communications, workshop facilitation, and public speaking. He's contributed to over 5,000 hours of ON-AIR content and has connected with more than 100,000 people through live events worldwide.

Offstage, he enjoys basketball, music, kayaking, and winning over his young niece. From deep dives into DEI to discussions on space travel, Jason's approach intertwines seriousness with fun. His guiding principle: "Use what you love to fight what you hate."

Friday Lunch Speaker: Mary Latham

Mary Latham on October 29, 2016, took off in her mother's old car on a mission to every single state in the U.S. to collect stories of human kindness. Latham used local radio and media to get the word out as she traveled through towns to collect her stories. Her mission evolved, and soon, Latham visited many high schools, church groups, rotary clubs, and other community gatherings to spread the message of More Good. The mission spanned through 154 strangers' homes in all 50 states and covered more than 43,000 miles in her mom's Subaru, nicknamed Old Blue. All of her stories will go into a book she plans to donate to hospital waiting rooms across the country.

She received national attention, appearing on MSNBC, The Today Show, The Kelly Clarkson Show, and in the pages of The Washington Post, along with local media in almost every state she visited across the country. She is currently writing her book and continues to speak on the More Good mission today, hoping to bridge the schisms that divide our country and inspire others with her stories of hope – proving there really is More Good in the world. You just have to look for it.

Keynote Speakers

Friday Dinner Speaker: Barry Rassin

RI Foundation Chair—Elect

Past Rotary International President

PRIP Barry Rassin is a director and former president of Doctors Hospital Health System in Nassau, Bahamas, where he retired after a 38-year career. He was the first fellow of the American College of Healthcare Executives in the Bahamas and was honored with the National Award of Health Hero by the Bahamas Ministry of Health and the Pan American Health Organization.

A Rotarian since 1980, Rassin served as RI president in 2018-19, when he advocated for closer partnership between Rotary and Rotaract clubs and presented the measure that broadened the definition of membership in Rotary International to include Rotaract clubs at the 2019 Council on Legislation. He has served RI in many other capacities, including as RI director, Rotary Foundation trustee and vice chair, chair of both the Finance and the Shaping Rotary's Future committees, RI training leader, and seminar trainer. In 2010, Rassin coordinated Rotary's disaster relief efforts in Haiti after a devastating earthquake. That included supervising the completion of 105 relief and development projects throughout Haiti that were made possible by the \$6.5 million raised by Rotary members worldwide. He is currently active on the Bahamas Rotary Disaster Relief Committee and working on relief efforts in the wake of Hurricane Dorian and the COVID-19 pandemic.

Outside of Rotary, Rassin chairs Volunteer Bahamas, a national program to create a culture of volunteerism in the country. He also helped found the Haiti National Clean Water, Sanitation, and Hygiene Strategy (HANWASH), a collaborative program to bring potable water and adequate sanitation to all the citizens of Haiti. In 2018, the government of the Bahamas named him as an Officer of the Order of Distinction.

Rassin has received the Service Above Self Award. He and his spouse, Esther, are Rotary Foundation Major Donors, Benefactors, Paul Harris Fellows, and members of the Paul Harris Society.

Keynote Speakers

Saturday Breakfast Speaker: Jean Irwin-Hatfield

Jean Irwin-Hatfield is a recipient of a Rotary Foundation “Ambassadorial Scholarship” which in her 7th year of teaching the deaf allowed her to study overseas. As part of a Deafness Research Team in Nottingham , England, she learned new techniques to teach the deaf to read. It is little known that for the deaf, achieving high levels of literacy is the most difficult challenge academically.

The techniques she learned in Nottingham were successful. After her return the new methods she used helped her students break the 4th grade reading level ceiling many deaf persons face upon graduation from high school. She has been able to share those methods at multiple conferences and through Rotary travel far and wide to do teacher workshops. It is her hope to share them again in Kenya in the near future.

Jean retired from teaching in 2008 in Reno, Nevada, but returned for 3 years to teach in California in 2017. She is retired again. She and her husband, David, reside in Sacramento , California.

Keynote Speakers

A Rotarian since 1991, Urchick first joined the home club of Past RI President Chuck Keller, who served as her mentor. Urchick has served Rotary as Rotary Foundation Trustee and RI Director. She has served RI in numerous capacities, including training leader, Regional Rotary Foundation coordinator, and RI president's representative. In addition she was a delegate and member-at-large for three Councils on Legislation.

Keynote Speakers

Sunday Brunch Speaker: Lex Gillette

Lex Gillette is a highly sought-after inspirational African American keynote speaker who empowers his audiences to gaze beyond the horizon and see more than what is in front of their eyes.

There is no need for sight when you have a vision. In fact, Lex proclaims that it wasn't until he became blind that he was truly able to see. As he writes in his book *FLY!*, "Vision gives you strength. You see what can be, and maybe what ought to be. Your focus shifts away from what's in your way, to what lies beyond your current reality."

Lex has a unique perspective as a Black, blind Paralympic speaker. His presentation topics include visionary leadership, culture, diversity, equity and inclusion (DEI), ableism, growth mindset, resilience, and high performance, to name a few.

Lex is the best totally blind long and triple jumper in the history of the U.S. Paralympic movement. He is the current world record holder in the long jump, a five-time Paralympic medalist, a four-time long jump world champion, and an 18-time national champion.

CONGRATULATIONS!!

A Message From Your District Governors-Elect To our 2024-2025 Club Presidents-Elect

The 2024-2025 Southwest Rotary PETS Governors-Elects would like to congratulate our Presidents-Elect on your decision to serve your clubs and communities during the 2023-2024 year as Club President. It was not destiny that brought you to this point, but rather, your courage and desire to make your own destiny and push forward.

During your first club meeting, you will not just be opening the meeting and ringing a bell. You will be opening the door to new opportunities, new club achievements, member growth and development, and engaging the hearts and passions of your membership to make the world and your communities a better place.

Learn all that you can, share all that you can, and partner with your classmates all that you can—together you are stronger and more impactful.

Wishing you much success on your journey!

The **ROTARY ACTION PLAN**

STRATEGIC INITIATIVES

INCREASE OUR IMPACT

Developing a consistent set of best practices and tools for measuring and sharing Rotary's impact.

Rolling out Programs of Scale to provide us with a new framework for thinking about how we bring about change in the world.

Developing an evaluation framework that will help us make objective recommendations about what we should continue doing, start doing, or stop doing.

EXPAND OUR REACH

Developing a comprehensive plan of action with achievable, measurable, and meaningful DEI outcomes for Rotary.

Piloting and evaluating new products and alternative participant models so that people can join and take action with us, wherever they live.

ENHANCE PARTICIPANT ENGAGEMENT

Taking a participant-centered approach—making sure our members and other participants know we value what they bring to Rotary.

Looking at ways to measure member engagement and satisfaction so we can better understand what people are getting out of their Rotary experience.

INCREASE OUR ABILITY TO ADAPT

Using change management strategies throughout Rotary, from the Secretariat to the club level, to tackle operational issues and become more agile and responsive.

ROTARY'S VISION STATEMENT

TOGETHER WE SEE A WORLD
WHERE PEOPLE UNITE AND TAKE ACTION
TO CREATE LASTING
CHANGE ACROSS THE GLOBE
IN OUR COMMUNITIES AND IN OURSELVES

As we stand on the cusp of eliminating polio, we find ourselves poised for our next challenge. The time is right to move toward realizing a new vision that brings more people together, increases our impact, and creates lasting change around the world.

To achieve the vision of Rotary International and The Rotary Foundation, we have set four priorities that will direct our work over the next five years.

ROTARY'S STRATEGIC PRIORITIES AND OBJECTIVES

INCREASE OUR IMPACT

- Eradicate polio and leverage the legacy
- Focus our programs and offerings
- Improve our ability to achieve and measure impact

EXPAND OUR REACH

- Grow and diversify our membership and participation
- Create new channels into Rotary
- Increase Rotary's openness and appeal
- Build awareness of our impact and brand

ENHANCE PARTICIPANT ENGAGEMENT

- Support clubs to better engage their members
- Develop a participant-centered approach to deliver value
- Offer new opportunities for personal and professional connection
- Provide leadership development and skills training

INCREASE OUR ABILITY TO ADAPT

- Build a culture of research, innovation, and willingness to take risks
- Streamline governance, structure, and processes
- Review governance to foster more diverse perspectives in decision-making

ROTARY'S CORE VALUES

The world today is not the same as it was when Rotary was founded in 1905. Demographics have shifted, the pace of change has accelerated, and technology has created new opportunities for connection and service. What hasn't changed is a need for the values that define Rotary:

FELLOWSHIP
INTEGRITY
DIVERSITY
SERVICE
LEADERSHIP

By honoring our past and embracing our future, we can evolve and keep Rotary not only relevant, but thriving.
